

Discount Scanner

Scan prices. Pick a discount. Know the final price instantly.

Shopping sale math made quick.

Point your camera at a price tag or enter an amount manually, then choose any discount from 1% to 99%.

- ✓ **Scan price tags**
Use the camera for quick price checks in-store.
- ✓ **Enter any amount**
Type decimals or choose a preset amount.
- ✓ **Exact discounts**
Select popular discounts or fine-tune 1% to 99%.
- ✓ **Save history**
Review recent calculations when comparing deals.
